

# DUSTMASTER SERIES

## MOBILE DUST COLLECTOR

JUNIOR MODEL  
5,000 - 10,000 CFM

Ideal for small, mobile projects

### QUIET

Electric unit is designed to minimise operational sound levels.

### REMOTE

Diesel unit is designed for remote work.

### AUSTRALIAN MADE

Designed and made in Australia to AS1210 using Australian Plate Steel.

### POWER MANAGEMENT

VSD starter on electric control board reduces power demand, reduces energy consumption and provides accurate airflow.

### VERSATILE

Occupies minimal space on site.

### PERFORMANCE

Designed for long duct runs.

### SITE READY

Forklift slots and lifting lugs remove the risk of unsafe manual handling.

### COMPACT DESIGN

Small footprint for site mobilisation.
